Through the Ashes And Smoke

Artworks by Alibaba
Awrang Ceramics by Matin Malikzada

Opening Reception: Saturday, May 4th, from 3 - 7pm — through Sunday, June 2nd

Our first exhibiton of the year features **Alibaba Awrang**, an Internationally acclaimed calligrapher-painter and **Matin Malikzada**, a seventh-generation master ceramicist; recently featured in the New York Times. This collection demonstrates the artists' deep love and understanding of these timeless artforms as well as moving tales of a rich culture and the personal perseverance and struggles of resettling so far from their native Afghanistan.

Also on display will be the artworks of Alibaba Awrang's female students who remain in Afghanistan.

All sales of these works will be sent back to these women who continue to pursue their arts despite all roadblocks.
